### P.R.I.D.E. Committee City Wide Clean Up

**Haysville, KS** – The Haysville PRIDE Committee will sponsor the 7th Annual City Wide Clean Up the first two weekends of June. The clean up for properties to the west of the railroad will be held on June 7, 2008 and properties on the east side of the railroad will be June 14, 2008. Permits for the event are available at the Haysville Community Library and True Value Hardware store for \$10.

The Haysville PRIDE Committee started sponsoring the City Wide Clean Up six years ago, not only as a fundraiser but to help citizens dispose of objects typically not taken by the trash companies in an effort to beautify the City. One dollar from each permit sold is given to the Haysville Friends of the Library. The remaining amount, after food expense for volunteers, is used to purchase Christmas decorations for the City and for other various programs implemented by the PRIDE Committee. Lies Trash Company donates workers and trash trucks for the event and the City donates staff and pays tipping fees for the trash collected. During last year's clean up: 191,560 pounds of trash, 50,000 pounds of metal, and 189,920 pounds of concrete & demolition debris was collected.

The PRIDE Committee works hard to take an active role in the community and encourages citizens to become members or attend meetings to submit input. Meetings are held at 6:30 p.m. on the first Thursday of each month at the Senior Center located at 711 E. Grand.
