Wire House Art Gallery Announces New Artists

Haysville, KS – The City of Haysville and the Haysville Historic Committee are proud to announce the newest artists showing work in the Wire House Art Gallery. Work from Dean Day and Kelly Carson can be viewed in the Wire House on Tuesday evenings from 4:00 p.m. to 8:00 p.m. and Saturdays from 10:00 a.m. to 1:00 p.m., now through August 9, 2008. There will be a special showing on July 25, 2008 from 6:00 p.m. to 9:00 p.m. Admission to the Wire House Art Gallery is free.

Artist Dean Day has been active in photography for over 50 years, with a predominate interest in landscapes and pure compositions. He lists influences as Ansel Adams, Alfred Stieglitz, and Edward Steichen. Day is an official photographer for the Great Plains Renaissance Festival. Black and white photography is the main focus of Day's artwork.

Artist Kelly Carson was born in Wichita, Kansas and credits his early interest in drawing to comic books. After many years his interest in art still remained and Carson went on to complete his Bachelors in Fine Arts. Works by Carson include: black and white photography, oil paintings, cast aluminum, ceramics and charcoal.

Program Coordinator Kelsey Andreas stated, "These two artists have diverse skills that provide an eclectic mix of artwork." If you would like to display your artwork in this unique gallery, contact Andreas at 529-5922.
