### Haysville Asks Citizens to Submit Photographs

**Haysville, KS** – The City of Haysville is asking residents to share pictures of Haysville in order to assist with various publications. Pictures can be from the past or present and of any person, place, or thing found in town.

City staff is able to accept pictures in any file format and can scan pictures that may not want to be parted with. Citizens are encouraged to submit any picture of Haysville, which can include but is not limited to: memorable structures such as the old water tower; events like Fall Festival, 4<sup>th</sup> of July or the tornadoes; weather; sunrise and sunset; landscape; flowers; past committee members; and memorable people. Pictures can be old or new and there are no limitations except that they must be in the City of Haysville.

The City continually creates various print, video, and website publications. City staff is eager to see what pictures will be submitted and encourage people to get involved. More information is available at the Municipal Building and on the official City website or by calling 529-5900.
