City of Haysville Plan Town Hall Meeting

Haysville, KS – Mayor Bruce Armstrong would like to invite the community to participate in the upcoming town hall meeting. The meeting will help identify opportunities and challenges facing Haysville and set priorities for the future of the City.

The Mayor and Councilmembers will be present to listen and respond to discussion from the open forum. This is a great chance for citizens to meet their representative Councilmember, get information on projects such as the Community Library or Senior Center, hear the opinions of other citizens, and voice their own concerns.

The City hopes to broadcast the Town Hall Meeting live with rebroadcasts on Channel 7. DVDs are available by contacting City Hall. Anyone who registers for the meeting will receive a transcript in the mail within two weeks after the meeting.
