## **SECTION 2. GRANT OF FRANCHISE.**

A. In consideration of the benefits to be derived by the City and its inhabitants, there is hereby granted to the Company (said Company operating a Distribution System in the State of Kansas), a non-exclusive Franchise for a period of twenty (20) years from the Effective Date, to construct, maintain, extend and operate its Distribution Facilities along, across, upon or under any Public Way for the purpose of selling and distributing natural gas for all purposes to the City, and its inhabitants, and through said City and beyond the limits thereof; to obtain said natural gas, and/or comparable blends of combustible gasses, from any source available; and to do all things necessary or proper to carry on said business.

B. The grant of this Franchise by the City shall not convey title, equitable or legal, in a Public Way and shall give only the right to occupy the Public Way for the purposes and for the period stated in this Franchise Ordinance. This Franchise Ordinance does not:

- (1) Grant the right to use facilities or any other property, natural gas-related or otherwise, owned or controlled by the City or a third party without the consent of such party;
- (2) Grant the authority to construct, maintain or operate any Facility or related appurtenance on property owned by the City outside of a Public Way;
- (3) Excuse the Company from obtaining appropriate access or attachment agreements before locating its Facilities on property owned or controlled by the City (other than a Public Way) or a third party; or
- (4) Unless explicitly set forth herein, excuse the Company from obtaining and being responsible for any necessary permit, license, certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City or the Kansas Corporation Commission.

## **SECTION 3. FRANCHISE FEE.**

A. In exchange for the franchise granted herein, the Company shall collect from its gas customers located within the corporate limits of the City and pay the City an amount equal to

five (5%) percentage per year of gross receipts the Company derives from the sale, distribution or transportation of gas delivered within the present or future limits of the City. Gross receipts as used herein are revenues received from the sale, distribution or transportation of gas, after adjustment for the net write-off of uncollectible accounts and corrections of bills theretofore rendered. All such payments will be made semi-annually for the preceding period.

B. The Company's semi-annual periods will reflect the monthly billing cycles of January through June and July through December of the Franchise following the Effective Date of this Franchise Ordinance.

C. Upon written request by the City (but no more than once per quarter), the Company shall submit to the City a certified statement showing the manner in which the Franchise Fee was calculated. The City shall have the right to examine within the corporate limits of the City and during regular business hours, upon reasonable advance written notice to the Company, all books, papers and records kept by the Company in the ordinary course of business and pertaining to its business carried on by it in or through the City, necessary to verify the correctness of the Franchise Fee paid by Company.

D. No acceptance by the City of any Franchise Fee shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any Franchise Fee payment be construed as a release of any claim of the City. Any dispute concerning the amount due under this Section shall be resolved in the manner set forth in K.S.A. 12-2001, and amendments thereto.

E. The Franchise Fee required herein shall be in lieu of all taxes, charges, assessments, licenses, fees, and impositions otherwise applicable that are or may be imposed by the City under K.S.A. 12-2001, K.S.A. 17-1902, and amendments thereto. From and after the date hereof, the permit fees required of the Company by any ordinance (presently in effect or hereafter adopted) for a permit to excavate in, or adjacent to, any Public Way shall be deemed a part of the compensation paid pursuant to this Franchise Ordinance and shall not be separately assessed or collected by the City; in no event, however, shall this provision be interpreted to waive the requirement of notice to the City and the procedural requirements of such ordinance. The Franchise Fee is compensation for use of the Public Way.

#### **SECTION 4. USE OF PUBLIC RIGHT-OF-WAY.**

A. Except as provided herein or as regulated by state or federal law, the use of any Public Way under this Franchise by the Company shall be subject to all laws, statutes, regulations and/or city policies (including, but not limited to those relating to the construction and use of the Public Way or other public property) now or hereafter adopted or promulgated. Unless specifically provided, herein, the Company shall be subject to all rules, regulations and policies now or hereafter adopted or promulgated by the City relating to permits, sidewalk and pavement cuts, utility location, construction coordination, and other requirements on the use of a Public Way; provided however, that nothing contained herein shall constitute a waiver of or be construed as waiving the right of the Company to oppose, challenge, or seek judicial review of, in such manner as is now or may hereafter be provided by law, any such rules, regulation, or

policy proposed, adopted, or promulgated by the City and, further provided other than the items enumerated in this Section 4 herein, that such rules, regulations or policies shall not require the payment of additional fees or additional costs for the use of a Public Way.

B. All mains, services, and pipe which shall be laid or installed under this Franchise shall be so located and laid as not to obstruct or interfere with any water pipes, drains, sewers, or other structures already installed. The Company shall provide, prior to commencing work, information to the City concerning work to be performed in the streets, avenues, bridges, parking areas, and public places of the City, as the City may from time to time require for purposes of record keeping. The City shall require that the information be provided on its standard permit form, receive approval and consent from the City, but such permitting shall not be subject to additional fees. For services to new or existing properties, the Company may submit the information on the City's standard permit form, and may thereafter proceed with construction without receiving additional approval or consent from the City, and without paying additional fees to the City. In the event of an emergency, the Company shall have the right to commence work without having first provided such information or form(s).

C. The Company's use of any Public Way shall always be subject and subordinate to the City's use of the Public Way for any public purpose. The City may exercise its home rule powers in its administration and regulation related to the management of the Public Way; provided that any such exercise must be competitively neutral and may not be unreasonable or discriminatory, nor in conflict with state or federal law.

D. The City reserves the right to lay or permit to be laid cables, electric conduits, water, sewer, gas, or other pipelines and to do or permit to be done any underground work deemed necessary and proper by the City, along, across, over, or under any Public Way. In permitting such work to be done, the City shall not be liable to the Company for any damage to the Company's Facilities unless the City or its agents or contractors are negligent in causing said damage.

E. Whenever by reason of establishing a grade or changing the grade of any street, or the location or manner of construction of any Public Way, the City deems it necessary to alter, change, adapt, or conform any portion of the Company's Facilities located in the Public Way, the City shall provide reasonable notice and such alterations or changes shall be made within a reasonable time by the Company, as ordered in writing by the City, without claim for reimbursement or compensation for damages against the City; provided, however, that this provision is not intended to require the Company to alter, change, adapt, or conform any portion of its Facilities without reimbursement or compensation where the right to locate the same (whether by private right-of-way grant, utility easement or otherwise), was acquired prior to the designation of the location as a Public Way.

F. If the City shall require the Company to adapt or conform its Facilities or in any way to alter, relocate or change its property to enable any other person, firm, corporation, or Entity (whether public or private), other than the City, to use the Public Way, the Company shall be reimbursed by the person, firm, corporation, or Entity desiring or occasioning such change for

any and all loss, cost, or expense occasioned thereby. "Person," "Firm," "Corporation," and "Entity" as used in this paragraph shall not include regular departments of the City, or any trust or authority formed by or for the benefit of the City for public utility purposes, but shall include any other agency or authority of the City, whether acting in a governmental or non-governmental capacity, including, but not limited to, any urban renewal authority, or any other agency or authority, which as a part of its program clears whole tracts of land within the municipal corporate limits and relocates citizens for the purpose of urban development or similar aims.

G. The Company and the City shall participate in the Kansas One-Call utility location program. The Company shall cooperate promptly and fully with the City and take all reasonable measures necessary to provide accurate and complete information regarding the location of its Facilities located within a Public Way when requested by the City. Such location and identification shall be promptly communicated in writing to the City without cost to the City, its employees, agents or authorized contractors. The Company shall designate and maintain an agent familiar with the Facilities, who is responsible for providing timely information needed by the City for the design and replacement of Facilities in a Public Way during and for the design of Public Improvements.

H. The Company shall be subject to the following fees and costs in connection with its use and occupancy of any Public Way: (i) in the event that the repairs or replacements set forth under Section 5 below, have not been timely completed by Company, the City may charge an excavation fee for each street or pavement cut to recover the costs associated with construction and repair activity; (ii) inspection fees to recover all reasonable costs associated with City inspection of the work of the Company in the Public Way when the Facilities are of such a scope and magnitude so as to require the City to incur such inspection costs by an outside party; and (iii) the repair and restoration costs associated with repairing and restoring the Public Way because of damage caused by the Company, its assigns, contractors, and/or subcontractors in the Public Way.

## **SECTION 5. NOTICE OF WORK AND DUTY TO REPAIR.**

A. Prior to commencing any activities related to the construction, maintenance, or extension of its Facilities along, across, upon, or under the Public Way, the Company shall submit to the City written plans detailing all such activities in the manner required by the City by Ordinance. In the event of an emergency, Company shall have the right to commence work without providing such plans, provided such plans are submitted within five business days of commencement of the work. The Company's Facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such Public Ways or unreasonably obstruct the legal use by other utilities.

B. Prior to beginning work, the Company will inspect existing pavement within and/or adjacent to the work area and will report any existing damage or concerns. All earth, materials, sidewalks, paving, crossings, utilities, Public Improvements, or improvements of any kind located within the Public Way that are damaged, displaced, or removed by the Company shall be fully repaired or replaced to their prior condition or to existing municipal standards as are then in

existence, and in a manner satisfactory to the duly authorized representative of the City, after completing such activity as is permitted under this Franchise Ordinance and without cost to the City. Any pavements, sidewalks, or curbing taken up, and any and all excavations made shall be done in such a manner so as to cause only such inconvenience to the inhabitants of the City and the general public as is reasonably necessary, and repairs and replacements shall be made promptly by the Company or its contractors, leaving such properties in as good a condition as existed immediately prior to excavation.

#### **SECTION 6. INDEMNITY AND HOLD HARMLESS.**

The Company, its successors and assigns, in the construction, maintenance, and operation of its Facilities, shall use all reasonable and proper precaution to avoid damage or injury to persons and property, and shall indemnify, defend, hold, and save the City harmless from any and all claims, damage, judgements, and reasonable expense, including attorney fees, caused by the negligence of the Company, its successors and assigns, or their agents or servants. The Company or the City shall promptly advise the other in writing of any known claim or demand against the Company or the City related to or arising out of the Company's activities in any Public Way.

#### **SECTION 7. RULES AND REGULATIONS.**

The Company shall have the right to make and enforce such reasonable rules and regulations as it may deem necessary for the extension of its Facilities, the sale of its gas, and the prudent conduct of its business, provided that such rules and regulations shall neither be in conflict with the laws of the State of Kansas, with the orders, rules, or regulations of the Kansas Corporation Commission or other regulatory authority having jurisdiction, nor with the ordinances and regulations of the City insofar as they are consistent with the jurisdiction of the Kansas Corporation Commission or such other regulatory authority.

#### **SECTION 8. REVOCATION AND TERMINATION.**

In case of failure on the part of the Company to comply with any of the provisions of this Franchise Ordinance, or if the Company should do or cause to be done any act or thing prohibited by or in violation of the terms of this Franchise Ordinance, the Company may be subject to forfeiture of all rights, privileges and Franchise granted herein, and all such rights, privileges and franchise hereunder be deemed ceased, terminated, null, and void, and this Franchise Ordinance shall be deemed revoked or terminated, provided that said revocation or termination shall not take effect until the City has completed the following procedures: Before the City proceeds to revoke and terminate this Ordinance, it shall first serve a written notice upon Company, setting forth in detail the neglect or failure complained of, and the Company shall have sixty (60) days thereafter in which to comply with the conditions and requirements of this Franchise Ordinance. If at the end of such sixty (60) day period the City determines that the neglect or failure complained of has not been cured, the City shall take action to revoke and terminate this Franchise Ordinance by an affirmative vote of the governing body present at a public meeting and voting, setting out the grounds upon which this Franchise Ordinance is to be revoked and terminated; provided, to afford the Company due process, the Company shall first

be provided reasonable notice of the date, time, and location of the governing body's consideration and shall have the right to address the governing body regarding such matter; and further provided, if the nature of the default is such that it cannot be reasonably cured within the above said sixty (60) -day period, and the governing body believes the Company has in good faith timely commenced its cure and is diligently pursuing the completion of the same, the Company may, in the City's sole discretion, be given a reasonable additional period of time to complete its cure. Nothing herein shall prevent either party from invoking any other remedy that may otherwise exist at law. Upon any determination by the governing body to revoke and terminate this Franchise Ordinance, the Company shall have thirty (30) days to appeal such decision to the District Court where the City is located or in the District Court of Douglas County, Kansas. This Ordinance shall be deemed revoked and terminated at the end of this thirty (30) -day period, unless the Company has instituted such an appeal. If the Company does timely institute such an appeal, such revocation and termination shall remain pending and subject to the court's final judgment. Provided, however, that the failure of the Company to comply with any of the provisions of this Franchise Ordinance or the doing or causing to be done by the Company of anything prohibited by or in violation of the terms of this Franchise Ordinance shall not be a ground for the revocation or termination thereof when such act or omission on the part of the Company is due to any cause or delay beyond the control of the Company or to bona fide legal proceedings.

#### **SECTION 9. RESERVATION OF RIGHTS.**

A. In granting its consent hereunder, the City does not in any manner waive its regulatory or other rights and powers under and by virtue of the laws of the State of Kansas as the same may be amended, applicable Federal laws or regulations as the same may be amended, its home rule powers under the Constitution of the State of Kansas, nor any of its rights and powers under or by virtue of present or future ordinances of the City.

B. In adopting and passing this Ordinance, neither the City's nor the Company's present or future legal rights, positions, claims, assertions or arguments before any administrative agency or court of law are in any way prejudiced or waived. By the City's adopting and passing this Franchise Ordinance and the Company's acceptance hereof as provided in Section 10, neither the City nor the Company waive any rights, but instead expressly reserve any and all rights, remedies, and arguments the City or the Company may have at law or equity, without limitation, to argue, assert, and/or take any position as to the legality or appropriateness of any present or future laws, non-franchise ordinances and/or rulings.

#### **SECTION 10. ACCEPTANCE OF TERMS.**

A. This Franchise Ordinance shall take effect and be in force from and after its passage, approval by the City, acceptance by the Company, and publication in the official City newspaper. The Company shall have sixty (60) days after the final passage and approval of this Franchise Ordinance to file with the City Clerk its written acceptance of the provisions, terms, and conditions of this Franchise Ordinance and when so accepted, this Franchise Ordinance and

acceptance shall constitute a contract between the City and the Company and such contract shall be deemed effective on the date Company files its acceptance with the City.

B. This Franchise Ordinance, when accepted as provided above, (i) shall constitute the entire agreement between the City and the Company relating to this Franchise, and the same shall supersede and cancel any prior understandings, agreements, or representations regarding the subject matter hereof, or involved in negotiations pertaining thereto, whether oral or written, (ii) shall be binding upon the parties, including their successors and assigns, and (iii) shall not be amended or further obligations imposed without mutual consent of the parties hereto.

#### **SECTION 11. REOPENER PROVISION.**

A. Upon written request of either the City or the Company, this Franchise may be reviewed once after five (5) years from the effective date of this Franchise Ordinance, and once every (5) five years thereafter, to review the Franchise Fee set forth in Section 3 above. Said request must be served upon the other party at least 120 days prior to the end of each period set forth above, and shall state specifically the amendment(s) to the Franchise Fee desired. The City and the Company shall negotiate in good faith in an effort to agree upon a mutually satisfactory amendment of the Franchise.

B. Upon written request of the Company, the Franchise shall be reopened and renegotiated at any time upon a change in federal, state, or local law, regulation, or order which materially affects any rights or obligations of the Company, including, but not limited to, the scope of the grant to the Company or the compensation to be paid to the City.

C. The Franchise Fee percentage rate set forth in Section 3 shall in no event exceed the percentage rate hereafter approved to calculate any fee paid to the City by any Entity for use of the Public Ways, if such fee is based in any way on the amount of revenues or gross receipts from the sale, transportation and/or distribution of natural gas or electric energy (excluding any municipally-owned electric utility) by such other Entity to customers within the City. If at any time after the Effective Date of this Franchise Ordinance, the fee or rate required to be paid by another Entity selling, transporting, and/or distributing natural gas or electric energy (excluding any municipally-owned electric utility) is less than the Franchise Fee percentage rate set forth in Section 3, then this Franchise shall become automatically subject to reopen upon notice by the Company for purposes of negotiation of a new lower Franchise Fee percentage rate.

#### **SECTION 12. NOTICE OF ANNEXATION.**

A. Upon the passage of this franchise, the City shall provide the Company in writing (to include a map) the corporate limits of the City. The Company will then have 60 days after the date the city provides the Company a certified copy of its corporate limits to incorporate franchise fees for Sales Consumers within the City's corporate limits.

B. The City shall promptly notify the Company in writing (to include a map) of areas newly annexed into or deannexed from the corporate limits of the City, and the Company shall update its records for the purpose of payment of Franchise Fees as soon as reasonably practicable after receiving such notice. Notwithstanding anything to the contrary in this Franchise

Ordinance, the Franchise Fees provided for in Section 3 shall not become effective within any area annexed by the City until the beginning of the monthly billing cycle which begins no more than sixty (60) days after the date that the City provides the Company with a certified copy of the annexation ordinance, proof of publication as required by law and a map of the City detailing the annexed area.

**SECTION 13. RELEVANT LAW.**

This Franchise Ordinance is granted pursuant to the provisions of K.S.A. 12-2001 and amendments thereto. Any and all ordinances or parts of ordinances in conflict with the terms hereof are hereby repealed or considered as having no effect as of the first cycle of the monthly billing cycle as referenced in Section 3 of this Franchise Ordinance.

**SECTION 14. TRANSFER AND ASSIGNMENT.**

Company shall not have the right to assign, sell, lease, or otherwise transfer in any manner whatsoever to any third party not affiliated with Company the rights and privileges granted under this Franchise Ordinance except as hereinafter provided. Any assignment, sale, lease, or other transfer by the Company of the Franchise granted herein to any third party not affiliated with Company shall be ineffective and void unless:

- (1) The proposed assignment, sale, lease or transfer shall be in writing:
- (2) The prospective assignee, buyer, lessee or other transferee shall agree in writing to accept and become responsible for full performance of all conditions, covenants, obligations, and liabilities contained in this Franchise Ordinance; and
- (3) Such writing shall be submitted to the City Clerk of the City.

**SECTION 15. POINT OF CONTACT AND NOTICES.**

The Company shall at all times maintain with the City a local point of contact who shall be available at all times to act on behalf of Company in the event of an emergency. Company shall provide the City with said local contact's name, address, telephone number, fax number, and email address. Emergency notice by either party to the other may be made by telephone to the City's designee as listed below.
