The Haysville Historic Committee shall review all evidence of demolition by neglect at the scheduled hearing.

(4) In the event that the Haysville Historic Committee finds that, notwithstanding the necessity for such improvements, corrective action would impose a substantial hardship on the owner or any or all persons with any right or title in the subject property, then the commission shall establish a period of forty-five (45) days and direct preservation staff to seek alternative methods to preserve the historic landmark or property located within a historic district.

(5) If no alternative is found to preserve the structure without undue hardship to the owner, and any or all persons with any right or title in the subject property and the structure is determined a threat to human safety and is in violation of city code a demolition permit may be issued.
