

Q. What is a violation?

A. A violation is an instance where a residential and/or commercial property does not meet the standards set by the City's laws (i.e. codes or ordinances).

Q. I received a Notice of Violation letter in the mail. What do I do now?

A. Please read the letter carefully and follow the instructions to become compliant. If you have any questions, please contact the Code Enforcement Officer at 316-529-5940 or email: sgeorge@haysville-ks.com

Q. How long do I have to fix the issue?

A. The Notice of Violation letter will contain the timeline for the corrective action and when the property will be re-inspected.

Q. What is a Notice to Appear?

A. If the violation has not been brought into compliance after the re-inspection date, a Notice to Appear may be filed through the Municipal Court. The fines for violations vary, but can be issued for each day the violation exists, with each day being a new violation.

Q. What if I need more time?

A. For an extension, please contact the Code Enforcement Officer at 316-529-5940 or email: sgeorge@haysville-ks.com. Depending on the violation, some extensions may be granted.

Q. How do I report a code violation?

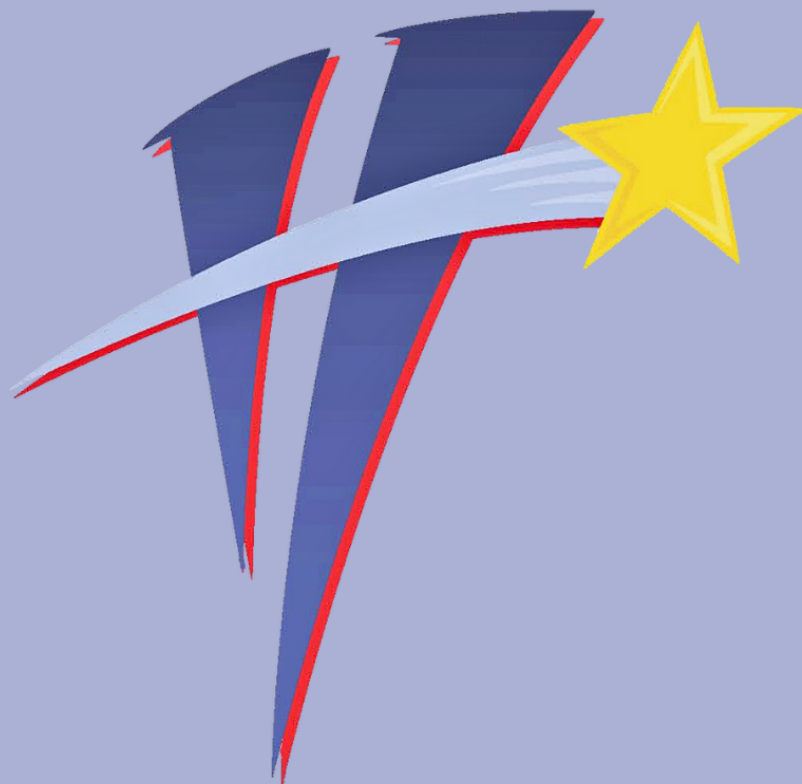

A. The best way to report a code violation is by using the Report an Issue feature on the City website.

A QUALITY NEIGHBORHOOD STARTS WITH YOU.

Code Enforcement investigates and enforces a variety of City codes and ordinances, but the following are the most commonly reported.

INOPERABLE or ILLEGALLY PARKED VEHICLES

Any vehicle that is not fully capable of being started and driven on the roadway may be classified as inoperable. Examples are: flat tire(s), without wheel(s), up on blocks/jack stands or without tags/registration. Also, any vehicle, trailer, boat, etc. **NOT** parked on an ALL-WEATHER surface is considered illegally parked. Examples are parking on the grass, even if it is on your own property.

FENCES

Approved fencing materials must be used and fences must be kept in good repair.

RIGHT OF WAY MAINTENANCE

Each homeowner, resident or tenant is responsible for regularly mowing and removing debris, litter and obstructions from the center line of the roadway to the property line.

JUNK, TRASH, DEBRIS and ABANDONED ITEMS

Such items are prohibited from being left on the premises and must be disposed of properly.

PROPERTY MAINTENANCE

The exterior of all dwellings and structures shall be maintained to be free of broken glass, torn screens, rotted wood, mold and mildew, missing roof shingles, soffit and fascia in disrepair, etc.

EASEMENT(S)

Each homeowner, resident or tenant is responsible for regularly mowing and removing debris, litter and obstructions from the easement(s) behind or beside their property.

SWIMMING POOLS

Pools must be maintained and enclosed by a fence. Stagnant water is prohibited by City ordinance.

OPEN STORAGE

Any item or material that is kept, left or placed anywhere outside is to be considered openly stored. This includes items placed, left or stored in carports, front/side or rear yards, inside/behind a fence or inside the bed of a trailer. Items or materials must not result in an unsightly appearance constituting a blight to adjoining property, the neighborhood or the city.

HIGH GRASS & WEEDS

All grass must be kept mowed below a length of 12 inches on all residential and commercial properties; 18 inches if there are no dwellings or if the property is actively being cultivated for agricultural purposes.

TREES and SHRUBS

Trees and shrubs should be maintained to a height of 14 feet above streets and 8 feet above sidewalks. Dead or diseased trees should be removed and stumps should be ground 6 inches below grade.
