Hello! With the news of Kim retiring July 1st, we wanted to let you all know that you will still have familiar faces here at the center. We look forward to serving you in any way we can!

Kristen McDaniel, who has been the Administrative Secretary here for four years, is now our Senior Center Director!

Cynthia Harris, who has been the Haysville Hustle Dispatcher since the beginning of operation in October 2020, has been promoted to Senior Center Administrative Secretary.

Eula Mae McKinley is our Haysville Hustle Driver. Her position recently changed from Part Time to Full Time! We are thrilled to have her as our primary transporter.

We are currently looking to fill the Dispatcher position

Well as many of you know, I am now retired and beginning a new chapter of my life. I want most of all, to thank each and every one of you for welcoming me into the senior center 16 years ago.

I remember many years ago, someone told me that I looked like a deer in the headlights standing in the doorway of the office of the old senior center. You see, it was my first day on the job with the City of Haysville and was told I would be filling in for a few days while they were searching for a new director. I mean what was I going to do, refuse to go? I had been hired as an Assistant Bookkeeper and had absolutely no training on how to work with seniors.

Because of you, I fell in love with the center and eventually was given the Director's job. You trained me and taught me so much. Because of **you**, I changed my major from Accounting to Gerontology. Because of **you**, I became aware of the challenges you face, that most of us never knew.

I am not the same person that walked through the doors of the Senior Center 16 years ago. I would never have thought that I would have the courage to address the Sedgwick County Commissioners to ask for additional funding for the Senior Center. You gave me the power and encouragement to be your voice. The passion and drive I gained was all because of **you**.

As I walk away, please remember you are in good hands with Kristen and Cynthia. While there will be changes, please know change is good. I will be at the center frequently to visit, play BINGO, cards or dominos. I will be looking at the center through a new set of eyes and I can hardly wait. I cherish each and everyone of you and will always have a special place in my heart for you.

Love,

Kim
